

# PRINT ON DEMAND

Bible Visuals International initiated the True Colors program with the goal of printing our visualized publications in full color with upgraded texts. These full-color publications will be printed in a new size: 9" x 12".

Because we do not wish to tie up funds by reprinting existing titles in a two-color format, we have chosen to allow titles to go out of stock until they are updated. Updating, unfortunately, is a lengthy process and is dependent upon funding. Until funding becomes available, we have decided to release out-of-stock publications via **PRINT ON DEMAND**. These **PRINT ON DEMAND** publications are printed on a heavy, bright white copy paper with our full-color printer in an 8½" x 11" booklet format. The following titles have been colored, but await funding to be printed professionally:

Fanny Crosby The Pink Pig	NT 2 Satan, the Enemy of God	NT 13 The Resurrection OT 6 Election
------------------------------	---------------------------------	---

The following titles, awaiting colorization, are available in a two-color 8½" x 11" booklet format:

A Chosen Friend	Where the River Begins	OT 3 The Nature of Man
Bible Lessons/Life's Battles	NT 14 The Holy Spirit	OT 7 Redemption
Bible Lessons/Light the Way	NT 20 Justification	OT 15 God's Faithfulness
Boy Afraid	NT 25 Servants of God	OT 16 The Word of God
No Tree/Peggy	NT 26 Law and Faith	Blessed Be the Name (Hymn)
Oliver and the Twins	NT 30 Christian Joy	How Firm a Foundation
Rainbow Garden	NT 38 Living by Faith	(Hymn)
Walking Umbrella/Antonio	OT 2 Faith	

We are providing an opportunity for those who purchase a PRINT-ON-DEMAND version of a publication to be notified when the professionally printed version becomes available. When the notification letter is sent out, it will be accompanied by a \$5.00 coupon to be used to purchase the printed version.

## INTERACTIVE CD-ROMs

Publications that have been updated are being made available on CD-ROM. These require the use of a computer, not a CD or DVD player. The illustrations are formatted for use with a multimedia projector. Teaching text and student activities can be viewed on the computer or downloaded from the CD and printed. **Note:** There is no audio on these CDs. The following titles are available on CD-Rom:

Be The One!
The Christmas Collection
Clip Art CD Volume 1
Forever Changed by the Book
John and Betty Stam
Ly Huy's Escape
No Darkness At All
Secret in the Woods
Until the Letter Came
Woolly Acres

## BVI BACKORDER POLICY

In order to be good stewards, we no longer accept back-orders, but are happy to offer out of stock titles in our Print-on-Demand format. Or you can ask to be placed on our notification list to be contacted when a title becomes available in the professionally printed format. Note that we will include a \$5.00 coupon for the title in the notification letter. (Prices are subject to change without notice.)

## VISUALS in POWERPOINT

*Great for Large Groups*

Have you taught groups with publications that not everyone could see? BVI's PowerPoint Presentation CD-Roms allow everyone to see the pictures! BVI's PowerPoint CDs include a presentation and teaching text, but no bonus materials. PowerPoint CD-Roms will be available until the release of the multimedia (interactive) version which will include a full-color PowerPoint presentation. Call or check our web store for an up-to-date listing of available titles.

## POWERPOINT DOWNLOADS NOW AVAILABLE

BVI's visualized Bible lessons, stories and hymns are now available as downloads from our web store! Each download contains illustrations and a memory verse in PowerPoint format plus the lesson/story text in a printable pdf. With the aid of a computer and multi-media projector, you can teach this material to any size group. Our goal in providing these resources is to make our materials as affordable, accessible and adaptable as possible to your needs.
