True to the Word - Truth to the World

Dear Friends,

June/July 2010

I can sum up the last several months by saying my plate is full and my cup runneth over, so things are kind of messy right now! It has been such a blessing to be part of Bible Visuals, yet there is so much to do and so few

hours in the day.

Family news

For the last several years we have been living in Paw Paw, a small town in Illinois. At the end of May we packed up our van and moved out to Pennsylvania. Our trip was delayed by a few days by an unforeseen hospital visit. David, one of our two-year-old twins, has had some respiratory issues in the past and had another episode. He's doing much better now, but please keep him in your prayers. Pray also for our house in Illinois to sell. The market is bleak but God is great and we trust Him for our need.

For those of you unfamiliar with this organization, it is a publishing ministry based

out of Akron, Pennsylvania just

north of Lancaster. BVI has been in existence for over fifty years producing Bible lessons, mission stories, Christian character stories, and visualized hymns. These materials have been used in churches, Bible clubs, and other ministries all around the world. It has been very exciting to see the body of work God has used through the hands of His servants over the years. It's humbling too as I realize the position God has placed me in to continue this ministry as its director.

Pray that God would give me wisdom. I've never felt more keenly the need of prayer. As always God's Word gives direction and comfort. "Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths." Prov. 3:5-6

In Christ,

Tom (Betsy, Elijah, Samuel & David)
